### COUNCIL PRIORITIES FOR ADMISSION – PLACING REQUESTS

#### PRIMARY

Where there are any places available in a primary school, priority will be given in the granting of placing requests to those children who live in its delineated area but have been unable to be accommodated in the area school to date and P1 children, or those enrolling for P1, who live in a delineated area and attained the age of five years prior to, or on the commencement date of the school session and thereafter to early entry children who are considered suitable for primary education and who live in a delineated area.

#### SECONDARY

Where there are any places available in a secondary school priority will be given in the granting of placing requests to those children who live in its delineated area, where applicable, and to children who live in the delineated area of an associated primary school but who have been unable to be accommodated in the area's secondary school to date.
