

# Learning Logs

## Position Statement

2015-16

The aims of learning logs are:

- To show progression and reflect on learning
- To demonstrate a 'learning journey'
- To use as a tool to help children understand their targets and achievements
- To record significant assessments/progress
- To record achievements of which children are particularly proud.
- To use as a tool for parents/carers to view learning

Content of Learning Logs can include:

- Photos
- Reflections – thoughts, feelings
- Phrases on stickers
- Parent/carer or external assessor assessments

Content of Learning logs **must** include:

- Clear targets and success criteria
- Targets with dates
- Supporting evidence of progression and achievement of targets

The following learning logs should be in place for all children 2015-16:

1. Maths/Numeracy - individual
2. Science - individual
3. IDL – group or individual
