

# Primary 2/1

## Class Information

### Welcome!

Welcome to P2/1!

We would like to invite you to visit the classroom on

Thursday 19th September, from 6.30pm for us to show off to you the super learning we have completed so far!

### Staffing

Miss Robertson will teach P2/1 alongside Mrs Oliver.

### Homework

Reading, Phonics and Maths homework will begin soon. Once the children have fully settled, homework folders will be sent home and instructions will be sent on Seesaw. We really appreciate you helping your child to learn words and sounds once homework begins.

### PE & Outdoor Learning Days

Our PE and Outdoor Learning days will be on Tuesdays and Thursdays. Please ensure your child is wearing their PE kit and has some waterproofs on these days. We kindly ask that your child either doesn't wear earrings or has tape to cover them for PE.

### Topic Work

Our topic work for Term 1 will be based around Technology, where we will be developing our skills using the iPad and learning to code!
