PE and Outdoor Learning days.

This year, our PE and Outdoor Learning days will be on Tuesday and Thursday. Please ensure your child is wearing their PE kits and has some waterproofs on these days. We kindly ask that your child either doesn't wear earrings or has tape to cover them for PE.

Curriculum

We have lots of exciting learning opportunities this year.

In Literacy we will continue to develop our skills in reading, writing and talking and listening.

In Maths this term we are going to focus on place value, addition, subtraction, multiplication and division.

This term our IDL is Coding and Computer Science. We look forward to using the Ipad and Chromebooks to learn how to code and make animations.
