Your Personal Data**

What information do we need?

Argyll and Bute Council will act as the 'Data Controller' in regard to the personal data you provide to us. The Data Protection Officer can be contacted at the Council's headquarters is at Kilmory, Lochgilphead PA31 8RT. The email address is: data.protection@argyll-bute.gov.uk

John Logie Baird Primary School has made a decision to use software Boost Insights produced by Rising Stars Assessment to provide you with Education services. This means that personal information about you that you have previously provided in order to receive Education will be shared with this company. This information is contained in the General Education Privacy Notice which can be found on the Council website at <https://www.argyll-bute.gov.uk/data-protection#privacy>. The personal data will include your first name, surname, date of birth, class and year stage and gender.

Why do Boost Insights need this information?

Your information is being collected to allow use of the software that is needed to support your reading and mathematics learning. There are enhanced benefits to the pupil, parents/carers and the school in using this tool.

The legal bases for collecting your information in these circumstances are:

Article 6(1)(e) – Public Task on the basis of the obligation placed on the Education Authority to track and monitor pupil progress in terms of the undernoted legislation:

- Education (Scotland) Act 1980
- Education (Additional Support for Learning) (Scotland) Act 2009
- Scottish Schools (Parental Involvement) Act 2006
- Standards in Scotland's Schools etc. Act 2000
- Children and Young People (Scotland) Act 2014

What we will do with your information?

The information Boost Insights collects from you will be processed and backed up in the UK.

Your information will be shared with the recipients or categories of recipients as detailed below:

What we will do with your information	
Who we will share with	Reason for Sharing
Boost Insights – Rising Stars Assessments	Rising Stars provide assessment tools to track and monitor progress over time, identify areas for development, and help schools provide suitable support to pupils. For this they require names and dates of birth, and other information to facilitate the administration of assessments and assist schools in analysing trends.

You should also be aware that your data may be downloaded from Boost Insights by John Logie Baird Primary School and will be stored on school servers located within the United Kingdom. We will take all reasonable steps to ensure that your data is kept securely and more information on how we do this is provided on the Council website (www.argyll-bute.gov.uk) or can be provided in paper format on request to your School Support 01369 704000.

How long will Boost Insights keep your information?

Personal data will be held in Boost Insights while a pupil is enrolled at a school and will be deleted within 12 months of their leaving or the school ceasing to use Boost Insights.

Data downloaded from GL Assessment by the school will be kept as detailed in the General Education Privacy Notice. More information on Argyll and Bute Council's retention schedule is provided on the Council website (www.argyll-bute.gov.uk) or can be provided in paper format on request to School Support 01369 704000.
